Carolyn and I go way back. Was shocked to see she has passed. I remember her blowing my phone up cause her daughter had been hit by a car. We were very close then. Christmas 1 year she asked if her and Ameer could do something special for me and my partner at that time. Left the house open, upon arrival she had set up a Christmas tree and decorated the house. She was selfless, she loved making others happy. R.I.H sweet soul. You will be missed by many. Prayers to her family and friends

Carolyn was one of the most beautiful souls that anyone could ever have the honor of knowing. She was so pretty, from her big beautiful eyes to her gorgeous smile with pretty dimples, to her massive caring heart. She is so easy to love. You will always be Aunt Tracy's CareBear, sweet girl. I love you with all of my heart. Nancy, I'm so sorry. I know how bad this hurts me so I can't even imagine the pain that you and Ron are going through. I pray that God wraps his arms around you all and helps you get through this, this includes her kids, Bo, and his family. As far as love goes, Carolyn was one lucky lady. I saw a lot of her loving family with her which was amazing.
