Denise was my first niece and even though I was 12 years older we grew up together. I will never forget all the laughs, cries, and worry we had together. You were a big responsibility for bringing me threw a terrible car accident I had years ago. Without your love, understanding and patience I would not have made it. I am going to miss you terribly but you will always be alive in my heart. I love you,Niecy.

Many wonderful memories as a young girl growing up spending the night, eating all her food & borrowing her hair products & makeup. She was beautiful, hard working & her laugh was contagious. She always welcomed me into her home, as Jenny's friend. Hugs & kisses to her beautiful daughter, grandchildren & sweet sisters. My heart is broken for your loss.
