Anita was one of my favorite people growing up. We played Pee Wee baseball because they didn't have softball for girls when we were 7, her dad was our coach and then we played Little League through high school softball. Anita was hilarious and fun. She loved to joke and have a good time. I have many happy memories from her through school and softball. The world's light is truly a little dimmer without her glimmer. I am sorry for your loss. Brea James McClung
