Rip sweet Coop, I remember the young boy whose artwork & poetry writing was nothing short of Amazing! I pray u are in a very peaceful place drawing some amazing art or writing some poetry! How I always felt you could draw or write every emotion you felt into a masterpiece, yet struggled to work thru the emotions you had to deal with in the earthly body, here on this earth. Hopefully now, your kind heart full of all the emotions can be set free to fly . Find peace & happiness, we love u & will miss you. Prayers for family & friends
