I will always remember how Jenny would show so much love for her family, always ready to drop what she was doing to be there for you. She had style and a great smile to go with it. She never held grudges only forgiveness and pure love. The last time I seen her she was on the roof of a Church working and I was always amazed with her courage of doing hard work. She will be greatly missed. Until we meet again Jenny, love you always ❤️

There was a sense of innocence about Jenny that's hard to explain. To know her was to love her. She was kindhearted, and loving. She was a hard worker and could make any plain room into a showcase. She just had an eye for decorating. She could be funny and I still see her laugh and smile in my memory of her. She will be missed and loved always.

Jenny was a bright, kind hearted, loving, talented person who could turn a plain room into a magazine cover. Rest in peace Jenny. You will be so missed and you were so loved. ❤️ Aunt Polly

There are just so many memories as kids. Dancing around our bedrooms with an old record player playing. Sneaking tomatoes out of Mammaw and Pappaw martins garden to throw at cars 🤪 to spending time just sitting in the porch and watching our kids play together when they were little and praying they didn't act like us lol I love you and will forever cherish the good times we had. Your cuz always! Becky
