Danielle I love you so much! I miss you more than anything and the pain I feel is unbearable!! I'm staying strong for our beautiful baby boy he misses his mommy too! He has your eyes, he's so amazing just like you!! You took my heart with you but I'm OK with that! There will never be anyone that could take your place!! I hope that when I talk to you that you can hear me because I had so much more to say! I love you so so much!! You are such an amazing woman and everyone knew that and for that I'm so grateful!! I'll see you again one day so for now I'll wait! I love you booger!! (Isaac Burns)

You will forever be in our hearts. A day will not go by that we will not think of you. You were a truly amazing person that loved whole heartedly. You have blessed so many people with your kind heart. Even in all your hard times and sorrow you would do everything you could to help anyone in need. We will share all our memories with your babies and make sure they know how much you love them. We love you forevermore and are truly blessed to have had you in our lives although our time was way too short!! Shawn and Amy Burns
