We will truly miss my buddy of so many years. I met Junior at work in the 70's and we have been connected ever since.He had a big heart and said it like it was. I was deeply touch when he called us in May and thanked us for the prayer card and said man Rog you are a brother to me you and Fran are the best. Fly high my brother save a front row seat for me and Fran and keep those wings shinning bright. We love you and you will always be in our hearts. Thanks for the friendship and many memories. Brian we are here for you love you too.
