Thelman Keith Anderson

NOV 27, 1941 - SEP 4, 2022

T Keith Anderson passed away peacefully, on Sunday September 4th, 2022, after a long battle with lung cancer. He moved on while at St Mary's Medical Center, with his daughter and best friend and ex-wife, Windy Anderson, by his side. Keith was a United States Air Force Veteran. Those who knew Keith will know he loved being in the outdoors and was a life-long hunter and fisherman. In his early years, he loved The Boy Scouts, playing football, and spending his time outside. A love that he passed along to his children. He was active in both of their lives, always. His son was a second-generation Eagle Scout and College Football athlete. His daughter followed in his footsteps as a service person when she joined the National Guard. She spends her time, now, outside in the beautiful elements as often as possible, the same as Keith. Keith loved all animals but had a soft spot for dogs. In his life he met only one that would not be his friend. Keith is preceded by his mother, father, 2 sisters, and a pack of dog companions. He is lovingly remembered by his son Tim, daughter Derian, his ex-wife Windy, and mother-in-law Faye, who remain his beloved family, many dear friends, and a vibrant AA community. In lieu of flowers or condolence gifts, please consider making a donation in his name to Alcoholics Anonymous or other addiction support, your preferred cancer research foundation, or your local animal shelter. A memorial service will be held at Norway Avenue Church of Christ on Saturday, September 10th at 1pm. Hall Funeral Home and Crematory, Proctorville, OH, is assisting the family with arrangements. Condolences may be expressed to the family at ehallfuneralhome.com.

It is much sadness that I write this message. I had been attempting to communicate with Keith for the last few weeks. Now I understand why he didn't respond to my phone calls and text messages. Best wishes to the Family that Keith leaves behind. I attended HHS with Keith and then following HS, Keith was assigned to same Air Force Base in Northern Michigan with me. I enjoyed my time in N. Michigan with Keith. The barracks we each lived in were side-by-side, so we saw each other virtually every day including at mid-night Chow in the Base Dining Room. We both came to know and understand what minus 45 degrees below ZERO (-45°) felt like. Was planning on driving up to WV the end of October to see Keith. Now I will have to wait awhile until I too am assigned visit where he is now, where he is resting and without pain and discomfort. To the Family of Keith, I wish you comfort with your loss and I am most grateful to know that we all have loving Heavenly Father that loves each one of us as does His son, our redeemer Jesus Christ and that this life that we all experience here on earth is but a short temporal life. I too am looking forward to the millennium to when we all will be resurrected. Until then, may you all have the peace that only the Lord can give.

Keith hired me twice, first to Goulds Pumps and then to Sturm Machine, to put me on a path to a 46 year career in the pump industry, and he kept me on despite my slow learning curve. We have not seen each other frequently, but I have received a Christmas card from him every year since. He is a friend I am loathe to lose. Randy Doss

You taught me about wilderness camping and trout fishing in the hills of West Virginia. Sometimes more of a Dad to me in my youth! You will be missed and I love you!

Keith and the Anderson family were beloved neighbors of the Cook family (#6 Ferrell Court) for 65 years. Your friendship and support over these many years will always be remembered. Godspeed to you, dear friend, as you change your address to a Heavenly home. Love and prayers to all who will miss you very much. Thanks for being a GREAT friend and neighbor!

John Price lit a candle in honor of Thelman.

Keith was a great friend and mentor to me as we worked together for several years at Goulds Pumps. He taught me more things than I could list and pushed me to get out of my comfort zone. Although I have not seen him for quite some time, I will always remember him and tell stories of our work adventures. I am so sorry for the families loss because I know he loved you all dearly.
