Thank you Rick!!! ☐ I must admit you deserve credit. I think your greatest contribution to this world is that You made some beautiful children. (Although they clearly take mostly after their mothers!!!) LOL!!! They are all beautiful young adults now. So glad I had the opportunity share and witness their growth into the bright young talented successful young adults that they have become. It has most definitely been a blessing!! You definitely will always hold a place in my heart. You gave me our son....the greatest joy and blessing of my life!!! You may be gone but you won't be forgotten. Rip.Julia aka (jewels). 😊
