I have so many memories with my beautiful friend hard to pick just one. Ok so We are going to the Rose tree for a fitting for her wedding dress of course they gave us the wrong appointment time again! So she is sooo upset and frustrated so what do we do, of course go track down some donut sticks to calm her down! Two gas stations later we got em! We had such a great time getting ready for her wedding, memories I will always treasure. Rest in heaven beautiful, I luv u.
