My deepest condolences to Joe's family! Joe was always eager to help a friend in need. He worked on my truck several, several times. Always came and helped when I was broke down no questions asked! Even though he disliked working on it. And if it was due to my inexperience of the the truck, he was quick to laugh at me and get a couple jabs in! Which we both did. We had a lot of good times hanging out with friends and everyone eating and enjoying life! He will truly be missed by everyone who ever had the pleasure to call him a friend !!!
