I was very shocked hear this. I thought it was a bad rumor. I did not know him well but did have some dealing and great conversation with him. He was part of the automotive world we was involved in together in the area. He was a good person to me and well be missed.

I was shocked and saddened hearing this news. He was always so nice, laughed a lot and carried on he was so fun. Also, we purchased a vehicle from him and anytime I had a question about other vehicles he was always very helpful, even if not purchasing from him. I will miss his wave whenever he was outside mowing or hanging with his dog whenever I would drive by. He will be missed. Praying for Gods comfort to the family during this difficult time.
