I have a lot of childhood memories of Margaret! She always made me laugh and she always made me feel like I was at home when I was around her. What a special lady she was that will truly be missed by me and many others! Say hello to my father in heaven; I know his face will light up when he sees you there. Much love Dana

Pee Wee always treated me like a third son. She was a wonderful woman who worked hard and loved her husband and children. I have so many fond memories of visiting the farm as a child and as an adult and the vibrant and great conversations with my Aunt Margaret. We stayed in touch my entire life and I cherish all those remembrances.

My beautiful and caring sister in law (Sister). Pee Wee has been in our family since I was a teenager. Always an open door to visitors and most usually left with a box or bag of goodies. She was an awesome cook. She was always looking out for her sons and all the grandchildren. Our days on earth are no longer shared but we will reunite when God calls each and all of us home. You have on the Barry and Fulks side many waiting to welcome you with open arms. Our memories of good times will never fade. Until the day God calls us home. Love you.
