Sorry for your loss. Now you can find out the real truth about Melissa not being your daughter. I'm sure God won't lie to you. Pam Young knew all along when she was lying to you. She is a Patterson, always was and always will be. Her Daddy had the DNA (baby teeth) to prove the truth. If there are questions I still have the teeth. I just hate that Pam tried to take advantage of this man and make him believe something that wasn't true.
