Ronald Jack Pelletier

FEB 16, 1961 - AUG 18, 2025

Ronald Jack Pelletier, 64, of Willow Wood, Ohio, passed away on August 18, 2025. Ron proudly served his country in the United States Marine Corps, where he developed the grit, strength, and stubbornness that carried him through life.

After his military service, he was medically retired, but his greatest role was that of father and grandfather. His world revolved around his beloved grandchildren: Waylon, Cooper, Sawyer, Baylor, Freyja, and Brooks. He leaves behind three children: Andrew (wife Ashley), Haily (husband Ray), and Dylan (wife Summer).

He has three living brothers: Randy, Jeff and Troy, their wives and a slew of nephews and nieces that he adored! Family isn't always blood. He also leaves behind two exceptional friends/brothers: Rick and Bill.

Ron is reunited in the afterlife with his parents. Heather and Bernie, nephew Lucas, as well as many friends who preceded him in death. He has a family who will forever cherish his love, humor, and presence. Those who knew Ron will remember his strong will, his devotion to family, and his trademark humor and funny accent.

In his own words - and surely how he would want us to send him off - he'd simply say: "Kiss my ____ , ya _____!" IYKYK

Terri Brusseau posted:

I'm honored that all the Pelletier boys were able to attend my wedding in 1992. It was a day that I will remember, not only because I was a bride, but I had all of my friends from the Pelletier family with me. It meant the world to me. I will miss you, Ronnie. Unfortunately, see you sooner rather than later. Save me a pew. I could use some extra credit! Love you and your family.

Holly Pelletier posted:

Your Dad has been like a brother to me since i was barely 17 and him 16 . I will never forget when i first met him and Jeff , and Troy . We were all so young . Ronnie was so proud of you kids and those grandchildren . You all were his world . For Randy and I our world will be a little darker with Ronnie gone . His laugh, his humor , his love , will be missed . But to know Ronnie was to love him . Fly high Ronnie , we can only pray that you have found peace .
