I remember the amazing basketball games in the early 60s. I saw many of those games when the magnificent five played and went to the state championship. Ronnie was handsome and amiable. And once spoke to me when everyone stopped at Don Key's restaurant in Ironton after a game. That was probably the highlight of my eighth grade year at school. I am sorry for your loss and know how difficult it is to lose a father. Cheryl Dunfee Keller

I knew Ron as a coach and mentor during his time coaching at Fairland Youth League, I don't think he realized how much he influenced the young men he coached and taught. He certainly inspired me and am glad to have had a continuing friendship with him as an adult. He will be missed. My deepest sympathies to his family. Ron Wooten

Ron and I met many years ago and became great friends, especially in later years. I enjoyed our conversations in person and on the phone. Mainly, our conversations were about God, family, and Fairland High School (especially basketball). Love and prayers for his family and friends.
