My Uncle John was one of my favorite people in the whole world. His sense of humor was legendary and he has made me laugh and smile since I was a child. So many wonderful memories of spending time with him on the farm. Growing up visiting Johnny and Margaret with my Dad was always an adventure. My sister and I loved hanging out with Mike and Mark and playing in the yard and around the barn. As a teenager and young adult, Johnny hired me several times to help on the farm with hay, tomatoes and tobacco. He was a great man and will be missed by all who knew and loved him.
