I spent many hours with Mr. Barker a few months ago as his hearing care provider. We shared many laughs, turned 30 minute appointments into 3+ hour appointments, and talked about our hometown. My biggest takeaway from Jon was that we spent so long talking about God. He stood strong in his beliefs. He showed me some beautiful songs that he listened to, and I think that's a beautiful thing. He made it apparent that his Faith was a big part of his life and I am so grateful for the things he has taught me. My heart breaks for the family. Prayers go out to everyone ❤️
